A recent telephone status inquiry on the above-identified application has revealed to applicant that while the USPTO has a copy of the Appeal Brief filed by applicant on January 7, 2004, the USPTO does NOT have a copy of the Notice of Appeal with Petition for Extension of Time that was mailed on November 12, 2003.

Applicants are faxing a copy of their Notice of Appeal with Extension of Time together with a copy of their "official" post card receipt.

Please see that the application is forwarded to the Examiner.
